

# Munich MassSpec Interest Group

Thursday, 10th of April 2014, 16:00, Adolf-Butenandt Institut,  
SR 318, Schillerstr. 44, 80336 Munich

---

## Metabolomics

**16:00 Jerzy Adamski**

Helmholtz Center Munich

Profiling of cell differentiation with metabolomics

**16:40 Axel Walch**

Helmholtz Center Munich

MALDI Imaging as a tool for high resolution metabolomics

**17:20 Uwe Sauer**

ETH Zürich

Metabolomics as a hypothesis generator for gene functions  
and regulatory interactions

**18:00 Beer and Brez'n**

---

!!! All interested are welcome !!!
