Panel discussion: Experiences as postdoctoral fellow

Venue: Lecture Hall G00.001, LMU Biocenter
Großhaderner Str. 2, 82152 Planegg-Martinsried

Date: Monday, March 19th, 2018

17:00 **Welcome and moderation by Prof. Dr. Kirsten Jung**

The following postdoctoral participants have backgrounds in Biology, Biophysics, Biotechnology and Pharmacy and have done research abroad in countries such as the US, the UK, Spain and Sweden:

Dr. Janosch Hennig, EMBL Heidelberg
Dr. Hannes Mutschler, MPI Biochemistry
Dr. Stefanie Kellner, LMU München
Dr. Julia von Blume, MPI Biochemistry

As an introduction our guests will give an overview about their career paths with special focuses on how to get abroad, their experiences while there and how to make the return to Germany.

18:30 **Final remarks**

Refreshments will be available on site

All PhD students and PostDocs are warmly welcome.
Registration by March 16th, 2018 is required: grk2062@bio.lmu.de
